

Reasons For Using Lice Killer

Soon As You Can, Get Your Hands On Lice Killer & Our Environmental Kits. The Reasons Are:

1. Rid & Nix No Longer Work. The Bugs Are Immune To It.
2. Both Are Full Of Pesticides And Again, The Bugs Are Immune To It.
3. Lice Killer Is All Natural. It Comes From Nature And Therefore As The Bugs Have Evolved, So Has The Oils And Enzymes Contained In Them. Therefore, The Bugs Are Not Resistant To It And It Kills Them Dead.
4. The Best Part About Lice Killer Is That It Kills Both The Eggs & The Bugs. No Other Product Does That And That Is Necessary In Order To Eradicate This Problem.
5. The Overnight Shipping Is Worth It As Many People Spend Thousands Of Dollars Trying To Get Rid Of The Lice – To Little Or No Avail. If You my area, I Carry The Lice Killer products. I Save You The Time And The Shipping.
6. The Comb That Comes With Every Kit Is Irreplaceable. This Comb Works Like A Magnet To Both The Nits And The Bugs. You Can Even Pull Out Lint That You Didn't Know You Had. It Is Amazing.
